Branding

- Add your Logo to your Coggno Course Library by going to the Settings link.
- On the Actions table, you will find different functions.
- Click on the Branding link.
- To upload your logo, click Browse and choose the logo that you'd like shown on your Coggno Course Library.

You can crop and resize your logo to fit your requirements.

You can choose a color to match your brand and/or your website.

Here you can add a brief description to introduce your trainees to your training environment.
